

## Environmental Protection Agency

## § 52.1770

(2) Air Oxidation Processes at Synthetic Organic Chemical Manufacturing Industries.

(3) Manufacture of High-Density Polyethylene, Polypropylene, and Polystyrene Resins.

(b) EPA approves on September 20, 1991 a request by New York State to implement modified I/M audit and enforcement procedures for a two-year trial period as specified in a September 19, 1988 letter from Thomas Allen, NYSDEC, to Raymond Werner, EPA, which also provided justification for such modifications.

(c) The State of New York's March 27, 1996 submittal for an enhanced motor vehicle inspection and maintenance (I/M) program, as amended on September 16, 1997, and September 17, 1997, is approved with an interim period to last 18 months. If New York fails to start its program by November 15, 1998, the interim approval granted under the provisions of the NHSDA, which EPA believes allows the State to take full credit in its 15 percent plan for all of the emission reduction credits in its proposal, will convert to a disapproval after a finding letter is sent to the State by EPA.

(d) The State must correct six minor, or de minimus, deficiencies related to the CAA requirements for enhanced I/M. The minor deficiencies are listed in EPA's interim final rulemaking on New York's motor vehicle inspection and maintenance program published on October 24, 1997. Although satisfaction of these deficiencies does not affect the interim approval status of the State's rulemaking, these deficiencies must be corrected in the final I/M SIP revision to be submitted at the end of the 18-month interim period.

(e) EPA is also approving this SIP revision under Section 110(k) for its strengthening effect on the plan.

(f) Attainment Determination—EPA has determined that, as of February 5, 1998, the Poughkeepsie ozone non-attainment area (consisting of Dutchess and Putnam Counties and northern Orange County) has air monitoring data that attains the one-hour ozone standard and that the requirements of section 182(b)(1) (reasonable further progress and attainment demonstration) and related requirements of

section 172(c)(9) (contingency measures) of the Clean Air Act do not apply to the area.

[56 FR 41463, Aug. 21, 1991, as amended at 61 FR 51217, Oct. 1, 1996; 61 FR 64029, Dec. 3, 1996; 62 FR 55344, Oct. 24, 1997; 62 FR 66825, Dec. 22, 1997]

### §§ 52.1684—52.1688 [Reserved]

#### § 52.1689 Significant deterioration of air quality.

(a) The requirements of sections 160 through 165 of the Clean Air Act are not met, since the plan does not include approvable procedures for preventing the significant deterioration of air quality.

(b) *Regulations for preventing significant deterioration of air quality.* The provisions of § 52.21 (b) through (w) are hereby incorporated and made a part of the applicable state plan for the State of New York.

[43 FR 26410, June 19, 1978, as amended at 45 FR 52741, Aug. 7, 1980]

#### § 52.1690 Small business technical and environmental compliance assistance program.

On January 11, 1993, the New York State Department of Environmental Conservation submitted a plan for the establishment and implementation of a Small Business Stationary Source Technical and Environmental Compliance Assistance Program for incorporation in the New York state implementation plan. This plan meets the requirements of section 507 of the Clean Air Act, and New York must implement the program as approved by EPA.

[59 FR 34386, July 5, 1994]

## Subpart II—North Carolina

### § 52.1770 Identification of plan.

(a) Purpose and scope. This section sets forth the applicable State implementation plan for North Carolina under section 110 of the Clean Air Act, 42 U.S.C. 7401, and 40 CFR part 51 to meet national ambient air quality standards.

(b) Incorporation by reference. (1) Material listed in paragraphs (c) and (d) of this section with an EPA approval date prior to December 1, 1998,

was approved for incorporation by reference by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. Material is incorporated as it exists on the date of the approval, and notice of any change in the material will be published in the FEDERAL REGISTER. Entries in paragraphs (c) and (d) of this section with EPA approval dates after December 1, 1998, will be incorporated by reference in the next update to the SIP compilation.

(2) EPA Region 4 certifies that the rules/regulations provided by EPA in the SIP compilation at the addresses in

paragraph (b)(3) are an exact duplicate of the officially promulgated State rules/regulations which have been approved as part of the State implementation plan as of December 1, 1998.

(3) Copies of the materials incorporated by reference may be inspected at the Region 4 EPA Office at 61 Forsyth Street, SW., Atlanta, GA 30303; the Office of Federal Register, 800 North Capitol Street, NW., Suite 700, Washington, DC.; or at the EPA, Air and Radiation Docket and Information Center, Air Docket (6102), 401 M Street, SW., Washington, DC. 20460.

(c) EPA approved regulations.
